

very well
did amazing
missed nuclear explosion in introduction
suggested how to approach
intro was good
don't just consider reproductive ability
survival of kids is also important
other aspects of reproduction
Fred is a winner here (unnecessary debate)
do not debate unnecessarily
do not occupy the speaking time
wait for the correct moment to speak
menstrual cycle point - girls could have corrected
don't hesitate much to point out wrong statements
shruthi's points were on point
sway the group
